to communicate people have always used signs and symbols marks gestures and words that represent abstract ideas and concrete objects over time these have multiplied into an immense and complex network of images figures emblems we use signs to measure such difficult concepts as number danger value distances in time and space and even love how does a sign represent the thing for which it substitutes how do we come to understand the meaning of a written symbol what happens when a sign crosses international borders of language and culture chapter by chapter georges jean conducts us through the fascinating realm of maps pictograms logographs letterforms patterns signals codes and facial expressions

this illustrated encyclopedia surveys the history and development of code making and code breaking in all areas of culture and society from hieroglyphs and runes to dna the zodiac killer graffiti and beyond

the true story of the us army s comanche code talkers from their recruitment and training to active duty in world war ii and postwar life among the allied troops that came ashore in normandy on d day june 6 1944 were thirteen comanches in the 4th infantry division

4th signal company under german fire they laid communications lines and began sending messages in a form never before heard in europe coded comanche for the rest of world war ii the comanche code talkers played a vital role in transmitting orders and messages in a code that was never broken by the germans this book tells the full story of the comanche code talkers for the first time drawing on interviews with all surviving members of the unit their original training officer and fellow soldiers as well as military records and news accounts william c meadows follows the group from their recruitment and training to their active duty in world war ii and on through their postwar lives up to the present he also provides the first comparison of native american code talking programs comparing the comanche code talkers with their better known navajo counterparts in the pacific and with other native americans who used their languages coded or not for secret communication meadows sets this history in a larger discussion of the development of native american code talking in world wars i and ii identifying two distinct forms of native american code talking examining the attitudes of the american military toward native american code talkers and assessing the complex cultural factors that led comanche and other native americans to serve their country in this way of all the books on native american service in the u s armed forces this is the best readers will find the story of the comanche code talkers compelling humorous thought provoking and inspiring tom holm author of strong hearts wounded souls native american veterans of the vietnam war

many americans know something about the navajo code talkers in world war ii but little else about the military service of native americans who have served in our armed forces since the american revolution and still serve in larger numbers than any other ethnic group but as we learn in this splendid work of historical restitution code talking originated in world war i among native soldiers whose extraordinary service resulted at long last in u s citizenship for all native americans the first full account of these forgotten soldiers in our nation s military history the first code talkers covers all known native american code talkers of world war i members of the choctaw oklahoma cherokee comanche osage and sioux nations as well as the eastern band of cherokee and ho chunk whose veterans have yet to receive congressional recognition william c meadows the foremost expert on the subject describes how native languages which were essentially unknown outside tribal contexts and thus could be as effective as formal encrypted codes came to be used for wartime communication while more than thirty tribal groups were eventually involved in world wars i and ii this volume focuses on

native americans in the american expeditionary forces during the first world war drawing on nearly thirty years of research in u s military and native american archives surviving accounts from code talkers and their commanding officers family records newspaper accounts and fieldwork in descendant communities the author explores the origins use and legacy of the code talkers in the process he highlights such noted decorated veterans as otis leader joseph oklahombi and calvin atchavit and scrutinizes numerous misconceptions and popular myths about code talking and the secrecy surrounding the practice with appendixes that include a timeline of pertinent events biographies of known code talkers and related world war i data this book is the first comprehensive work ever published on native american code talkers in the great war and their critical place in american military history
